Monday, 13th March

TASK 3B

After understanding the existing systems in place through your analysis of the GEP Bertrams Derby Road UDF, it is time to experience Bertrams in person. In your allocated groups you will be mapping the following themes:

- Heritage
- Community facilities and Social Gathering areas
- Land Use
- Pedestrian and Vehicular Movement
- Vegetation
- Thresholds
- Housing Typologies
- Public Space and its successful/unsuccessful utilisation.
- Topography
- Density
- Creative mapping(any other particular feature that you may feel is unique to Bertrams)

You will be mapping the following areas:

Focus Areas	Group
1. Derby Road	Lubbe, Nombembe, Burger , Hugo , Selepe
2. Bertrams Road	Morele, Erero, Van Graan ,Hutton, Muamba
3. Berea Road (Including heritage study on Stand 89 &93)	Themba, Mamosadi, Stadler, Kubyana, Kruger
4. Gordon Road(Including heritage study on Stand 119 &116)	A.Dube,Mogashoa,Evetts, Tshainca,Chetty
5. Liddle Road(Including heritage study on Stand 123/2)	Krige, Mbewe, Hassett, L.Dube, Lentsoane

SUBMISSION REQUIREMENTS

- Minimum of 5 3Dimensional scale models(width of road model 15cm wide) using unconventional materials to express the character of your street. These models should fit into a standard grid that joins other Bertrams streets, and should be at a scale of 1:200.
- Minimum of 3 Interviews of people in and around your site
- Multimedia video that expresses the essence of your street
